

Andy Harris opposed a bill that would have reduced the federal deficit by **\$1.4 billion** over 10 years.¹

That's right - 1.4 billion dollars. America would have to borrow money we don't have and leave IOUs to our children and grandchildren.² Our country needs less debt, not more.

Call **Andy Harris: (410) 841-3706. Tell him NO more deficit raising**

Dr. Richard Davis supports REDUCING the national deficit.

Dr. Richard Davis has said that reducing the size of the government is his #1 priority.³ His fiscal plan would reduce our federal deficit so we won't have to pass the buck to our children and grandchildren.
